

Shawn Mossell Improved Living Institute

You're in the right place and it's the right time, too.

November 2013

Dear friends,

After nearly 40 years of doing various work to help people in various ways I have decided to create a new company name to more appropriately convey what I have been trying to do my entire career. I am proud to introduce the ***Shawn Mossell Improved Living Institute***. When reflecting on my life's work I realized that regardless of the details of the work, I am always trying to improve lives.

In addition to the name change, I have also turned my focus to reaching more lives than ever before. To do so, I am now putting more emphasis on group/corporate seminars and clinics. The three main components of the institute are: Stress Reduction Seminars, STOP Smoking Clinics and Better@Business™ Sessions. While I still offer individual and small group services, my goal is to help more people than ever with this new approach.

I have enclosed my new brochure and invite you to visit my new website www.ShawnMossell.com. Please take a moment to learn about my company and take some time to reflect. Perhaps I can be of service to you.

Rest assured, I will also continue to offer my spinal touch therapy and pain management services to continue this vital part of my vocation.

Please let me know if you would like to let me help you or your company. I also thank you and appreciate any referrals you may have. It's time to start improving. Please call me today, 847-256-7708. I return all calls personally. I look forward to serving.

God Bless,

Shawn Mossell
